

## Broome - Tioga Stormwater Coalition Presents:

## Contractor Erosion & Sediment Control Training

The Broome -Tioga Stormwater Coalition will be holding a 4-hour Erosion and Sediment Control Training for

Contractors, Developers, Engineers and any individuals involved in soil disturbance activities.

Under the NYS Department of Environmental Conservation's Stormwater Permit, all developers, contractors and subcontractors must identify at least one *trained individual* from their company that will be responsible for implementation of the SWPPP, and have at least one *trained individual* on site on a daily basis when soil disturbance activities are being performed. Also, developers must have a *qualified inspector* conduct regular site inspections in accordance with the construction general permit.

Qualified inspectors and trained individuals must have 4 hours of training in the principles and practices of erosion and sediment control endorsed by NYS DEC, SWCD, or CPESC Inc. Training is good for 3 years.

Training is **not** required for CPESC, LA, and PE certified persons.

Date: February 13, 2019

Time: 8:30-9:00 Registration 9:00 Training Program

## Trainee Form for 4-Hour ESC Training

New York State Department of Environmental Conservation
Division of Water, 625 Broadway, 4th Floor SWT#
Albany, New York 12233-3505

(for DEC or						
De1	ega	te	use	onl	v)	

A Stormwater Trainee (SWT) identification (ID) number will be assigned to each person that completes the NYSDEC 4-hour training in the principles and practices of erosion and sediment control (ESC) to satisfy the State Pollution Discharge Elimination System (SPDES) Construction Activity General Permit #GP-0-15-002. Each trainee that wishes to obtain a wallet card with the SWT ID must provide the contact information requested below, including his/her home mailing address. The trainee must be prepared to show his/her NYS Driver License (or non-driver photo ID with proof of address) on the day of training to verify that the information below is correct. NYSDEC recommends that this form be completed as a PDF form on computer (or hand-written in blue or black ink) and sent to the training sponsor by the pre-registration deadline (in advance of the training) either by email or through the mail.
